

V5, LNS5 & Swegon SAFE Damper Control System – CE Certification

The Safegard intelligent control panels and associated controls devices have been tested to comply with CE requirements for EMC and LVD to the following standards:

EN 61000-6-1: 2016

EN 55011:2009 +A1: 2010

EN 61000-3-2: 2014

EN 61000-3-3: 2013

EN 61010-1: 2010 + Corr 1

Every panel is manufactured to the same high standards in accordance with ISO9001 and electrically tested in accordance with I.S. EN 61010-1:2010 Annex F as part of the final soak testing prior to dispatch.

The systems noted above carry a 2 year guarantee from the date of commissioning.
