

Installation Instructions for the TBXZ-1-95 adapter GOLD/SILVER RX/PX size 014-030

1. General

The adapter is used as a transition between air inlet on GOLD/SILVER RX/PX Top sizes 014-030 and duct accessories.

2. Installation

The adapter is mounted to the air inlet of the AHU by means of slip clamps. The duct accessory is then mounted to the adapter by means of slip clamps.
