

BUILDING PRODUCT DECLARATION

Ventilation products

Page 1 (3								
Issue no 1 Date of latest amendment 2005-05-30								
General Product/product group: Circular attenuator with splitter/Acoustics								
Designation: SORDO a -100-B								
Manufacturer: SWEGON AB, Sweden Company Reg. No: 556077-8465								
Contact (telephone, fax, e-mail): Martin Bergström, Telephone:+46 570 844 40, Fax:+46 570 175 40, E-mail:martin.bergstrom@swegon.se								
Information about the manufacturer								
Quality assurance system established yes no								
System secured by: ISO 9001 certification Other system								
Environmental policy established by company management yes yes no								
Company affiliated to ICC trade/industry programme yes yes no								
Company EMAS registered yes no								
Environmental management system established yes yes no								
System is secured by: ISO 14001 certification Other system								
Company works with Life Cycle Analysis (LCA)								
Other details about internal environment work: LCA is among other things shown as a yearly								
investigation of the companies environmental								
aspects.								
Product information Criteria for environmental labelling of industry products is not available at present								
Recommended area of application is outlined in the technical documentation yes no								
There is clear and responsibly applied labelling on the product/product group yes in the product group yes in the product designation etc.								
The labelling is linked to the technical documentation so that the product can be yes in the pro								
Other labelling or certification:								

1 Constituent materials

Details refer to standard products, therefore there may be some deviation depending on choice of variant, accessories etc.

Substance	Proportion	Recycled material	Re-usable material	Recyclable material	Energy recoverable material	For disposal
Insulation, Glasswool	4%	75%	95%	95%	5%	
Rubber EPDM	<1%					
Putty, polyuretan(sikaflex521)	<1%					

BUILDING PRODUCT DECLARATION

Ventilation products

Substance	Proportion	Recycled material	Re-usable material	Recyclable material	Energy recoverable material	For disposal
Galvanized steel sheet	73%	20%		100%		
Polyester nonwoven	<1%					
Insulation, Stonewool	23%	10%	95%	97%	3%	
Plastic, polyeten						

Comments on the table: Material declaration is based on SORDO a 630-1200-100-B. The table is not complete concerning shares of recycled material and recyclable material.

Manufacturer specifies requirements for environmental declarations, or equivalent from the supplier	yes	\square	no
Manufacturer specifies requirements for product information sheets in accordance with Sweden's Chemical Products Act (cf. ISO 110141) from the appropriate supplier of chemicals	yes	\square	no
The product contains more than 1 per cent by weight of a substance that appears on Sweden's Chemicals Inspectorate's Limitation and/or	Yes, stated in		no 🔀

that appears on Sweden's Chemicals Inspectorate's Limitation and/or stated in Observation Lists table

Substances included on Sweden's Chemicals Inspectorate's Limitation and/or Observation Lists and whose proportion in the product > 1% by weight

Substance	CAS Number	Proportion of finished product

2 Production

Production plant requires permit or notification in accordance with current environmental legislation	yes		no	\square
Environmental report submitted annually to public authorities in accordance with current environmental legislation	yes	\boxtimes	no	
Environmental statement can be supplied on request	yes	\ge	no	
Data on energy consumption and emissions to air, water and soil from the plant can be supplied on request	yes	\square	no	

3 Distribution of finished product

Indicate where the product is manufactured:	Swegon AB, Arvika,	Swed	en		
Method of transportation applicable to the product:	t: External: Mostly lorry, Internal: Electric driv truck				n
Material in packaging:	Brown Cardboard				
Company affiliated to the Swedish and the German systems	recycling	yes	\boxtimes	no	
Company applies a system using re-usable packag	ing	yes		no	\square
