

DECLARATION BY SUPPLIER

We,

Swegon AB
Box 300
SE-535 23 KVÄNUM

assure on our own responsibility that the product of the following type:

LTCW (without control system fitted)

which is intended for installation in a larger machine or in combination with an other unit, which together will constitute a plant, conforms to the following Standards:

EN ISO 12100-1,2; EN ISO 13857:2008

according to the provisions in Directives: **98/37/EC**

as well as

EN 61000-6-2, EN 61000-6-3 and EN 60204-1

according to the provisions in Directives: **2004/108/EC and 2006/95/EC.**

The product must not be commissioned until the machine or plant in which it is to be fitted or is to become a component of, entirely conforms to the Directives and equivalent National Statutes.

This Declaration is applicable only if the product has been installed according to the instructions and if the product has not been altered in any way.
